

CCC Learning Hub

Steps to Create an Account

1. Go to ccclearninghub.org
2. Click *Create an Account or Start a Trial*
 - *Use your work email address to create an account*
3. Provide the information requested
 - Use the name and zip code of your current school
 - If you work at the district, use the name and zip code of the district
4. Check your email for the verification email
 - *Allow time for email to arrive (not instantaneous)*
 - *If it is not in your Inbox, check Spam or Junk folder.*
5. When the verification email comes to your inbox, click on the link within the email to activate your account
6. Go back the Learning Hub and log in. You will land on the Profile page.
7. Complete the 3 steps to setting up your account:
 - Profile
 - Affiliation
 - Licenses.

Prior to Getting Started
